

EnRoute - services and capabilities

Overview	Established in 1981 with loyal client base – some since our founding. We have a dedicated, experienced team with solid industry experience and expertise. We focus on quality customer service and communication. We offer fast turnaround, high quality litho print, supported by full in-house artworking and print finishing.
New litho technology:	Litho quality print at digital run quantities. 7 years ago we invested in Heidelberg's new technology Speedmaster B3 press with Anicolor inking and IR Coater - instant colour accurate make readies, ready to run in 10 sheets. Delivers high quality print, consistent from start to finish with instant dry. Print weights from 60gsm through to 500gsm (0.60mm).
Digital print:	Ricoh 5100 Digital Press with Long sheet feeder: Primarily used for variable data & short run 6pp A4 & A4 landscape brochures.
Envelope printer:	Inkjet print used for runs up to 5K approx. Ideal for short run fulfilment with variable data. Our printer capability to print 4 colour graphics and messaging over the whole envelope area (edge to edge).
Booklet maker:	Horizon Heavy Duty saddle stitch booklet maker with 20 bin vertical collator. Our booklet maker can finish books up to 80pp, with 10 minute make-ready at speeds up to 3,500 books per hour.
Laminator:	Heavy duty B2 laminator – Typical finishes: Matt, Gloss & Soft Touch (option to apply foiling).
Folding:	Horizon High speed 6 plate folder with built in cross folder (for complicated fold requirements)
Morgana Digi Folder:	Creases & folds board up to 400gsm, 4 & 6 page.
On-line ordering:	On-line solutions that allows us to create bespoke B2B secure sites for clients with: <ul style="list-style-type: none">● Static products: Eg. Letterheads, report covers - with print on demand option or call off with full stock control & reporting● Template products: Eg. Business Cards – we set up a brand protected templates with variable fields (names, titles, contact details etc). You can create, amend or simply re-order cards with search facility for easy re-ordering.● Unique design products: We can set up regular collateral jobs, e.g. brochures, leaflets, and invitations where material and specification needs to be brand consistent. Pricing, material and quantity range can be agreed & pre-set with a simple upload artwork facility. Our system allows bespoke order approval procedures, full reporting & stock control.
Delivery:	We offer a same day delivery service to London via our own vehicles or courier. For national and international deliveries we send via next day courier service.
Pre-press & artworking:	We run Heidelberg pre-press workflow and platemaking. Our team of artworkers are experienced at following and adhering to brand guidelines.
Creative agency:	We recently set up 'En Route Creative' to handle our clients high end creative requirements. Our agency operates separately to our traditional design & print business, offering a true stand alone creative solution. Creative services include; branding, design for print, advertising, direct mail, copywriting and website design.
More information:	If you like more information about any of our services please contact our team. We have an open door policy and welcome clients to come and take a look around.
